### Our Mission

- To foster, maintain and support a mutually beneficial relationship between old students (alumni) and the school.
- To provide a platform for exchanging ideas and vision with the school authorities.
- To encourage and educate members about the need to support educational projects, community and the social and moral needs of both the student body and staff members.
- To inculcate in the members, the need to project a good image of themselves and that of the school by not just reciting the school motto but living IT. Our school motto "Each for all and all for God" simply teaches us to be selfless.
- To organize and participate in social events that promote bonding relations amongst members of the association, display a united front and show solidarity among members.
- To seek and promote networking and the welfare of its members.
